

# Empower Your Patients

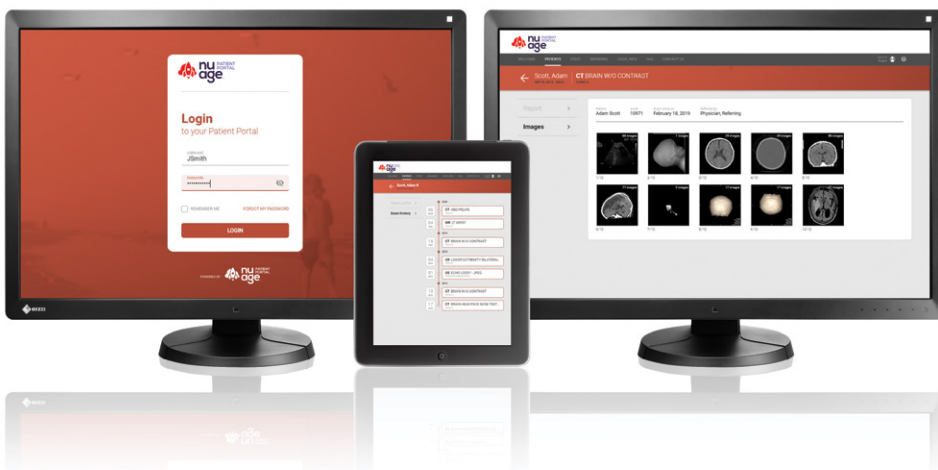

Put patients at the core of your healthcare delivery services and empower them with anytime, anywhere access to their healthcare records.

Patients can easily log-in to the zero-footprint patient portal powered by the nuage® Cloud Imaging Platform and have direct access to their exam history, images and reports.

## At a Glance

- › Zero-Footprint patient portal
- › Anytime, anywhere access to exam history, images and reports
- › Exam Sharing
- › Secure and tightly controlled access
- › Reduce the costs of image sharing

Be your kind of special. **Stand Out.**

# Patient Portal Offers

## Key Features

### Empower Patients

- › Anytime, anywhere access to exam records (reports and images)
- › Mobile Support
- › Download and share images
- › Grant specialists with access to exams
- › Patients can manage their exam sharing history, see what was viewed and revoke access

### Gain a Competitive Edge

- › Portal can be customized to align with your corporate brand
- › Promotional tools provided to help boost patient loyalty
- › Perfect companion for IntelConnect EV to help retain and grow referral community
- › Reduce costs and inefficiencies of burning patient images to CD
- › Highly scalable with unlimited licenses

### Modern and Secure

- › Two-factor authentication for staff users (front desk and administrators with either SMS or TOTP)
- › Patients can grant access to individual exams
- › Define report availability & black out period
- › Filter exam history based on ORGS set up in IntelPACS

## A Brand to Call Your Own

Stand out from the rest and customize the look and feel of your Patient Portal offering.

Use the nuage® Patient Portal Administration Console to add your own logo, customize the page headers and adjust the colour scheme to seamless blend in with your existing brand. In addition, Intelrad provides customizable artwork for marketing materials that will assist with patient onboarding.
